Employment / Education Dinner with Matt

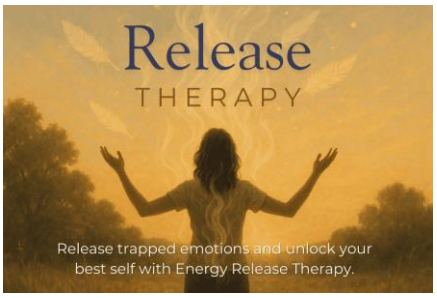

Affirmation of the month!

Release

If you've been carrying an old resentment, clinging to past-their-prime wounds, or been holding fast to the faint, nagging echoes of arguments past, arguments present – or (in your own mind) arguments future – you are being prompted to release them all! Let this be your assurance that you don't need to carry those burdens anymore. You're not the hardships of your past, and your family connections are only as strong as the resentment you can release. So why not torch those burnt bridges and get this new-leaf party started?

Matt & Richard Goodall

This month, Matt went to do an accreditation for a Clubhouse in rural Indiana. On his way to the airport, the Clubhouse director took Matt to a small sandwich shop in Brazile, Indiana. While eating, the winner of America's Got Talent (Sept. 2024), Richard Goodall, came in for lunch. Ricard and the Clubhouse Director are good friends. Richard has such an interesting story. He had been a janitor at West Vigo Middle/High School for over 20 years when he appeared on the show. His longtime partner, Angie, encouraged him to audition. Despite winning AGT, he returned to work at the school for another 2 years. He just retired from his janitorial position in June 2026 after 25 years of service. He is currently working on his music career and has just signed a movie deal in Hollywood for a movie to be made about his life.
