WELCOME, WANTED, AND NEEDED!

Journey House Club members are ALWAYS Welcome, Wanted, and Needed! Here's what's been happening at Journey House: We had several different activities during the month. If you haven't been staying after hours to attend the activities, give it a try! Many of our members love the activities and it helps build relationships with other members and staff. If you haven't been in for a while, we miss you and we hope you are doing well!

Congratulations to Sara S.

Sara S. was awarded employee of the month for February at Culvers. When Sara started her TE at Culvers, she was very nervous because she had not worked in 25 years. Not only did she excel but at the end of her TE she was hired as a permanent employee. "I love my job. I work with the best people." Be sure to tell Sara congratulations when you see her around campus.

Veronica A.

Hello, my name is Veronica. I wanted to share my story. I arrived at Journey House during a very hard (mentally) in my life. For years my mental illness was steadily getting worse. When I got here, I was broken. Anxiety and depression ruled my every waking moment. One of the therapists gave me a referral for JH. This place gave me a reason to keep on going. I started in the thrift store and worked my way to the Kitchen Unit and other random jobs. It is now years later, and I am doing amazing. I'll always be thankful for this clubhouse.

Condratulations to Ben M. on obtaining the TE located at Don's Meats in Syracuse. Ben stated that he is so excited to be working again. If you see Ben around campus, be sure to congratulate him and wish him luck on his TE.

JH Clubhouse Accreditation by Eddy P.

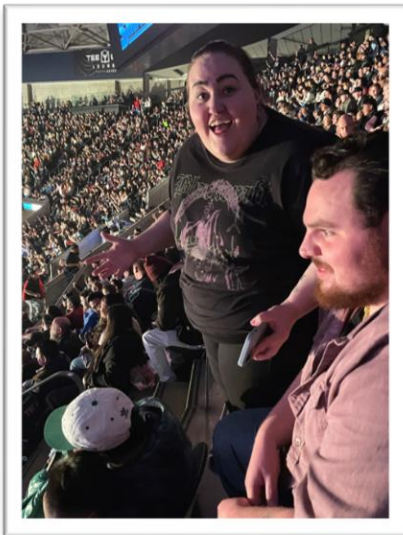

The Journey House accreditation went very smoothly. The colleagues were picked up from the airport by Anna Lee and 4 of us members and transported to Layton. For the next 2 days, Linn from Norman, OK and Thea from San Antonio, TX observed us all while at the same time working side by side during the work ordered day to see how we meet each standard. The colleagues were so impressed with our hospitality, personal caring/kindness, and our love for the Clubhouse program. On the 3rd day we had a meeting on the findings about our Clubhouse. It was so nice to hear how great our Clubhouse did. All of our hard work had paid off. I still miss Linn and Thea being here with us. This was one of the happiest and deepest moments of my life and it will be an everlasting memory that is bright and joyful.

Game Night with Ryan

Wrestling with Matt & Marianne

We had the opportunity to go and see WWE Smack Down live in Salt Lake. We ate at crown burger and then walked to the Delta Center. On our way we were able to see the WWE trailers and take pictures by them. We saw The Rock and the Blood line and many more talented superstars. It was so much fun. It was the best way for me to be able to share my interests with the members and see the excitement. It was so cool to share this experience with the members and see how much fun everyone was having.

JH Social & Dinner with Jen

This week the members got together after Clubhouse and enjoyed a social. We had homemade chili and fruit salad for supper. In total we had 15 people for our activity. Everyone had so much fun playing games, coloring, and eating snacks. It was a good time had by all.

CIT Training by TJ N.

Journey House had the honor of having law enforcement officers for lunch during their CIT training. Journey House members Eddy P., Alisha K., and I spoke on the challenges of having a mental illness and how being a member of JH has benefited us. The officers were given a tour of Clubhouse and then served lunch. Lunch consisted of BBQ pulled pork, sweet & sour green beans, corn casserole, baked beans and better than Alliance House dessert. Everyone enjoyed the luncheon.
